FROM THE DESK OF UDW SECRETARY-TREASURER WILLIAM REED  
*January 12, 2024*

The 18th Constitutional Convention of UDW/AFSCME Local 3930 will be held June 17-21, 2024 in San Diego.

A convention has the power to amend the constitution, except with respect to the rates of dues, fees, or assessments provided for in the constitution, and to do all things necessary to the proper disposition of any matter that may come before the convention for consideration.

Delegates to the convention are elected members from each of the UDW districts or county. To run for delegate, members must have signed an authorization card on or by December 31st, 2022 and had to have paid dues in the month of December 2023. To be seated at the convention as a delegate, the member must also remain in good standing for the 12 months preceding the convention. Only those members who meet these qualifications may run for convention delegates.

Elections for convention delegates will be by mail ballot. A Notice of Nomination has been mailed on or about January 12, 2024 and will include a nomination form. You may nominate yourself or someone you know as a delegate to the convention, so long as you or they meet the qualifications as written in the UDW/AFSCME Local 3930 constitution.

The basis of representation for each chapter's representation at the convention is the average number of union members for whom dues were paid by such chapter to UDW during the months of December 2023 to December 2024. Please see table on the next page for an ESTIMATED number of delegates each district will be entitled to elect to represent them at the UDW convention.

Any district or delegate may submit proposed amendments and resolutions in writing to Secretary-Treasurer William Reed, by mailing it to 4855 Seminole Drive, San Diego, CA 92115.

According to Appendix A of the UDW constitution, proposed amendments to the UDW constitution must be submitted at least 30 days before the opening of the convention. Proposed constitutional amendments submitted to the UDW Secretary-Treasurer at least 90 days before the convention and mailed to each district at least 60 days before the convention, may be adopted by majority vote. Otherwise, constitutional amendments require a two-thirds vote to be adopted. As noted previously, the convention cannot consider any proposed amendments pertaining to the dues rate, fees and assessments payable by members of this union.

Proposed resolutions must be submitted to the Secretary-Treasurer prior to the opening of convention.
